THE FOLLOWING TERMS AND CONDITIONS PERTAIN TO BOTH USEABLE SURPLUS AND SCRAP MATERIAL SALES

The Contract: (top)

1. "Useable" property is property sold for its originally intended purpose, or a reasonable alternative purpose, which may require substantial repair, refurbishment or replacement of parts or components, or modification, but is nonetheless sold for some purpose other than the value of its material. Useable property is sold in Government Liquidation ("GL") sales events numbered below 6000 (e.g., 1975, 1045).

2. "Scrap" property is property sold for its material content value, and for which it is not intended that the property or any of its parts or components be used for its originally intended purpose is "scrap material." Scrap material is sold in DOD Surplus, LLC ("DOD Surplus") sales events numbered 6000 or higher (e.g., 6001, 7250). Most property is sold with a requirement that it be mutilated beyond any ability to reconstitute it for its originally intended purpose. Most scrap material is sold by weight, however, some scrap material is sold by unit. Where mutilation of the scrap material is not required, the scrap may be sold by units rather than by weight. Some items sold with a unit quantity may still require mutilation. The absence of a requirement to mutilate should not be construed as an implication by us that the property is fit for its originally intended purpose or should be purchased with a useable purpose in mind.

3. The terms "you" and "your" refer to a Bidder, Buyer, or Registrant of Government Liquidation, LLC or DOD Surplus, LLC. The terms "we," "us," "our," "GL," "DOD Surplus" and "Company" refer to Government Liquidation, LLC or to DOD Surplus, LLC. References to the singular include the plural and vice versa. References to the masculine include the feminine and vice versa.

4. Government Liquidation, LLC ("GL") and DOD Surplus, LLC ("DOD Surplus") are the companies established by Liquidity Services, Inc. to administer the sale of useable surplus (Government Liquidation) and scrap material (DOD Surplus) for the U.S. Defense Reutilization and Marketing Service (DRMS). Government Liquidation is the company you will encounter most often in communications, on our web site, and in direct dealings with our employees. Invoices and some other correspondence may be sent in the name of Government Liquidation, LLC or DOD Surplus, LLC. We have two companies simply because we are required to do so under our sales contracts with the DRMS. Except where we have specified otherwise, your dealings with us should be governed by the principle that you are dealing with a single organization. Throughout these terms and conditions, we may refer to Government Liquidation as encompassing Government Liquidation, LLC and DOD Surplus, LLC.

5. By placing a bid on any sale on this web site, you agree to be bound by these Terms and Conditions of Sale. In order to participate in a Government Liquidation, LLC (GL) sales event, you must:
    - Be at least 18 years of age
    - Agree to the terms and conditions of sale by clicking on the appropriate button provided at the bottom of these terms and conditions
    - Agree that we are the only two parties to this contract, and that there are no contingencies to these sales other than those stated by us at the time of sale
    - Be mentally competent to enter into a contract
    - Be financially responsible for any bids placed using your unique web site username and password
    - Be capable of removing the property from the military installation where it is located within the required time frame
    - Be free from any previous financial obligations owed to us
    - Be capable of receiving a Trade Security Control (TSC) clearance to buy any property that requires a clearance
    - Be a real person or business entity, with a verifiable address, telephone number and email address
    - Be dealing with us in good faith, and not attempting to defraud, cheat or wrong us or the U.S. Government
    - Agree to abide by any existing security regulations at any military installation from which you purchase property or at which you wish to inspect property prior to placing a bid
    - Inspect the property upon which you are bidding or waive the opportunity to conduct a physical inspection of the property

NOTE: By waiving the opportunity to physically inspect the property prior to bidding, you are limiting your rights under our dispute policy. We strongly encourage you to inspect property if you have any concerns or questions about the item's condition, operability, fitness for a particular purpose or merchantability.

ELIGIBILITY (top)

6. If you are registering as a business entity, you represent that you have the authority to bind the entity to these terms and conditions. A limit of one registration per business or individual will be enforced on our web site. Duplicate registrations will be de-activated from use at our discretion.

7. We reserve the right to accept or reject any or all bids.

8. Any direction or prohibition stated on our web site or within these terms and conditions, unless specifically referring to Government Liquidation, LLC, or DOD Surplus, LLC, shall be construed as a direction to or prohibition on the Buyer only.

9. We reserve the right to limit the bid amounts proposed by any Bidder, either singly or in aggregate.

10. We reserve the right to refuse any individual or business access to our sales events.

11. We reserve the right to require an earnest money deposit prior to or during bidding on certain lots at our sole discretion. We will notify potential bidders via language on the lot details page of any earnest money deposits required prior to bidding. Deposits from winning bidders will be retained and applied to the pending invoice or to any past due balances owed by the customer. Deposits from non-winning bidders will be returned.

12. You agree to defend, indemnify and hold us harmless from and against any and all damages, costs, claims or liability (including reasonable attorneys' fees) for any injuries to persons or property of any type, occurring during or resulting from the sale, removal, use or operations of the purchased property

EXPORT RESTRICTIONS (top)

13. Some items may be subject to export restrictions imposed by applicable U.S. Laws and Regulations. You are responsible for compliance and should become aware of requirements and associated penalties for failure to comply.

14. If you purchase property that will be exported outside of the United States, you must obtain proper export licenses prior to release of goods. We may assist buyers in obtaining export licenses, and you agree to pay the costs associated with obtaining any licenses required.

15. Our assistance will be limited to providing information for the purpose of completing required export license applications, Shipper’s Export Declarations, or other forms. GL cannot advise you as to which

forms, which licenses, or what agencies may have jurisdiction over the property you purchase. You are encouraged to seek expert legal advice regarding export licensing. GL is not an expert and does not hold itself out as such.

16. Excessive delays in obtaining any required licenses for exportation may be grounds for cancellation of a sale. Any and all cancellations will be processed at our sole discretion. No documents submitted to Government Liquidation or DOD Surplus shall obviate the requirement for the Buyer to obtain any required export licenses.

17. You acknowledge and agree that certain goods, software, and technology may be subject to the export control laws and regulations of the United States, including but not limited to the Export Administration Regulations (EAR), the International Traffic in Arms Regulations, and regulations of the U.S. Department of Treasury, Office of Foreign Assets Controls. You will comply with these laws and regulations.

18. You may not, without prior U.S. Government authorization, export, re-export, or transfer any goods, software, or technology, either directly or indirectly, to any country subject to a U.S. trade embargo or sanction or to any resident or national of these countries, or to any person, organization, or entity on any of the restricted parties lists maintained by the U.S. Departments of State, Treasury, or Commerce. In addition, any goods, software or technology may not be exported, re-exported, or transferred to any end-user engaged in activities, or for any end-use, directly or indirectly related to the design, development, production, use, or stockpiling of weapons of mass destruction, e.g. nuclear, chemical, or biological weapons, and the missile technology to deliver them.

19. We do not sell property to persons from the countries that are prohibited from receiving transfers of military equipment or technology. Please check with the appropriate government agency for a current list of prohibited countries. Buyers are advised that purchasing from us and then reselling or attempting to export to these countries is prohibited. The list of prohibited countries is subject to change at the discretion of the U.S. Government

ADDITIONAL PROVISIONS (top)

20. If any provision of these terms and conditions is deemed illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining terms will not be affected.

21. Our failure to enforce any provision of these terms and conditions may not be construed or interpreted as a waiver of any of them. Any waiver of any term or condition must be in writing, signed by our authorized representative, and will be effective only for the instance specified in the writing.

22. Any oral statement or representation by any representative of GL, changing or supplementing the offering or contract or any condition of the offering or contract, is unauthorized and confers no right on the bidder or purchaser and may not be relied on. No interpretation of any provision of the contract, including applicable performance requirements, is binding on GL unless agreed to, in writing by GL.

The Web Site: (top)

REGISTRATION: (top)

23. Before placing a bid on http://www.govliquidation.com, you must establish an account with us. Establishing an account is free, but requires you to submit personal information, which we will verify, before allowing you to place bids. All account information is secured via SSL 128-bit encryption. We do not share personal information provided by you with third parties, except under very limited circumstances. For more information about our privacy policy, please click here.

VERIFYING YOUR IDENTITY: (top)

24. We require you to provide us with an accurate mailing address, telephone number, email address, so that we can communicate with you regarding your account, purchases and payments. Your identity will be verified through a third-party data verification vendor. We may request additional personal information from you in order to verify your identity. You are responsible for updating any changes in the account information. We will verify your account information to ensure that you are who you say you are. We do this to protect you and to protect us from false bids, fraud, identity theft, and to ensure that government surplus items are not sold to people who have been prohibited by the Government from purchasing such items. **Your agreement to these terms and conditions constitutes express consent to the verification of your identity.**

NOTIFICATIONS: (top)

25. We may transmit notices by e-mail, fax or phone to the email address, fax and phone numbers provided by you during registration. We may also provide notice in written form delivered through the US mail or certified mail to the address provided by you. We are not responsible for your errors in conveying your contact information.

ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT: (top)

26. Prospective bidders are notified by this statement that your consent to these terms and conditions by clicking the electronic link indicating your agreement to be bound to these terms, meets the requirements of Section 101(c) (1) (C) (ii), the Consumer Consent Provision, of the Electronic Signatures in Global and National Commerce Act (ESIGN). You may print these terms and conditions, but they are subject to change by us. Changes to the terms and conditions will be effective from the time they are placed on our web site, in the terms and conditions section of the site, or any other section where they may appear.

INTERPRETATION - PAROL EVIDENCE: (top)

27. These Terms and Conditions are intended by the parties as a final expression of their contract and as a complete and exclusive statement of the Terms and Conditions of sale. No course of prior dealings between the parties and no usage of the trade may supplement or explain any term used in these Terms and Conditions. Acceptance or acquiescence in a course of performance rendered under these Terms and Conditions may not be used to determine the meaning of these Terms and Conditions even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in these Terms and Conditions, the definition contained in the Code is to control.

HOW WE SELL SURPLUS: (top)

28. Property is sold by GL in internet auctions, online sealed bid sales, and term contracts. All sales are to the bidder who best meets our conditions, which most often results in an award to the high bidder. GL reserves the right to determine at its sole discretion which bid best meets the stated conditions of sale.

29. We offer an online tutorial for you to learn how to register on the site, search for property, place bids on property, pay for and remove property that you have been awarded. We strongly recommend that you familiarize yourself with how our process works before placing your first bid.

30. Customer service is available from 7:00 a.m. to 5:00 p.m. MST, Monday through Friday, to assist you with any questions about how our site operates. (Please note that the state of Arizona does not observe Daylight Savings Time, and therefore remains on Mountain Standard Time throughout the year.)

TECHNICAL PROBLEMS: (top)

31. We do not guarantee or promise that our system for placing, receiving, collecting and tabulating bids on internet auction sales will be available without interruption, error-free or free from other defects. We have no obligation to ensure that a prospective buyer's bid is received, properly and effectively processed or accepted. WE ARE NOT LIABLE TO ANY PROSPECTIVE BUYER ON ANY CLAIM OR ALLEGATION THAT THE PROSPECTIVE BUYER'S BID WAS NOT RECEIVED, PROPERLY AND EFFECTIVELY PROCESSED OR ACCEPTED DUE TO TECHNICAL ERRORS OR PROBLEMS WITH THE INTERNET AUCTION SYSTEM OF THIS WEBSITE. If any questions arise as to a bid price at which lots have been sold our record of the sale will in all cases be deemed to be final.

PLACING BIDS: (top)

BID DEPOSITS: (top)

32. For any sale in which a bid deposit is required prior to placing a bid, the deposit must be received via certified funds. Certified funds are FEDFUNDS wire transfers from the registered bidders own bank account, a certified check, or U.S. currency.

STRAIGHT BIDDING: (top)

33. Straight bids can be placed on any lot in any sales event that is open for bidding. Bids can be for any dollar amount equal to or greater than fifty dollars ($50), and can be superseded by the placement of an additional bid for a higher amount.

AUTO- BIDDING: (top)

Bid Amount Range	Increment
$50 - $99.99	$10
$100 - $499.99	$20
$500 - $999.99	$40
$1,000 - $2,499.99	$70
$2,500 - $4,999.99	$100
$5,000 - $7,499.99	$150
$7,500 - $9,999.99	$200
$10,000 - $24,999.99	$500
$25,000 - $99,999.99	$1,000
$100,000 and up	$2,000

34. The auto-bid feature will hold your bid, automatically raising it in the increments specified above until you have won the lot or your limit has been reached. Bids can be placed for any dollar amount. **In certain instances, bid increments placed with an auto-bid may be less than those above but will never be more.**

Please note that bid increments above are minimums. A bidder may raise the increment by more than specified above by placing a straight-bid instead of an auto-bid.

POSTED TIMES: (top)

35. For internet auctions, posted closing times and displays of current time on our website are approximate. In addition, we reserve the right to close early or extend internet auctions at our discretion. Lots may be scheduled to close individually, in groups or entirely. Lot closing times will be advertised prior to the opening of the internet auction. At the scheduled closing time, the lots with active bidding will remain open for 15 minute increments until all bidding has ceased. You may participate during this time by entering from "My Auctions." We reserve the right to control the amount of time necessary to end the sale.

SEALED BID SALES: (top)

36. Sealed bids may be sent electronically via our website, by fax to (480) 596-4483, or by US mail or other commercial delivery methods to the address or number listed below. We are not responsible for bids that are not received, processed, illegible or not accepted due to technical difficulties regardless of their origin. Sealed bids cannot be cancelled, lowered or withdrawn once submitted. Sealed bids must be received by the established time for the specific sales event.

The Property: (top)

ACCEPTANCE OF PURCHASED PROPERTY "AS IS"; DISCLAIMERS, WAIVERS AND INDEMNITY: (top)

37. YOUR PURCHASE OF OR PLACEMENT OF A BID ON THE PROPERTY CONSTITUTES ACCEPTANCE OF THE PROPERTY AS IS AND IN A USED CONDITION. "ACCEPTANCE" AS USED HERE ALSO MEANS THAT, BY PURCHASE OF THE PROPERTY, YOU WILL BE DEEMED TO HAVE EXAMINED, OR HAD THE OPPORTUNITY TO EXAMINE, THE PROPERTY AND AGREED THAT THE PROPERTY IS OF THE SIZE, DESIGN, CAPACITY AND MANUFACTURER SELECTED BY YOU, IS IN PHYSICAL AND MECHANICAL CONDITION ACCEPTABLE TO YOU, AND IS FIT FOR THE PARTICULAR PURPOSE AND USE YOU REQUIRE. WE DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, WITH RESPECT TO THE PROPERTY, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR THAT THE PROPERTY IS FREE FROM LATENT DEFECTS. YOU ACKNOWLEDGE THAT WE ARE NOT A MANUFACTURER OF THE PROPERTY, OR AN AGENT OF THE MANUFACTURER, AND THAT THE ONLY EXPRESS WARRANTY WITH RESPECT TO THE PROPERTY IS THAT OF THE

MANUFACTURER, IF ANY. YOU WAIVE ANY AND ALL OF OUR LIABILITY AND CLAIMS AGAINST US FOR DAMAGES, LOSSES, COSTS, INJURIES, PENALTIES, EXPENSES, ATTORNEYS' FEES AND LIABILITIES OF WHATEVER NATURE WHETHER IN TORT, CONTRACT, WARRANTY OR STRICT LIABILITY, INCLUDING THOSE RESULTING FROM INJURIES OR DEATHS OF PERSONS AND DAMAGES TO PROPERTY RESULTING FROM OR ARISING OUT OF OR IN CONNECTION WITH THE USE, CONDITION, OPERATION, TRANSPORTATION, SERVICE, POSSESSION, RENTAL OR SALE OF THE PROPERTY, LOSS OR LIABILITY RESULTING FROM NEGLIGENCE, BREACH OF WARRANTY, PARTS, LABOR, DELAY OR BUSINESS INTERRUPTION BY YOU OR THIRD PARTIES, DELIVERY DELAYS, WORK STOPPAGES, FAILURE TO WARN, OPERATIONAL DEFICIENCIES OR FAILURES, BREAKDOWNS, STRIKES, ACTS OF GOD, UNAVAILABILITY OF THE PROPERTY OR OTHER CAUSE (WHETHER THESE CAUSES ARE AVOIDABLE OR NOT) CAUSED IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY BY YOU, OUR EMPLOYEES, REPRESENTATIVES, AGENTS OR THIRD PARTIES (COLLECTIVELY, "SPECIFIED CLAIMS"). UNDER NO CIRCUMSTANCES ARE WE RESPONSIBLE FOR SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES. YOU AGREE TO INDEMNIFY, DEFEND AND HOLD US HARMLESS FROM AND AGAINST ANY AND ALL SPECIFIED CLAIMS.

PROPERTY DESCRIPTIONS: (top)

38. The information and descriptions found in the advertising materials for specific sales are deemed reliable but are not guaranteed. We neither assume responsibility nor make any warranty regarding the sale's contents. Condition codes, National Stock Numbers (NSN), Local Stock Numbers (LSN), National Item Identification Numbers (NIIN), or Scrap Condition List (SCL) codes are provided as received from the DRMS as assistance to our customers. We do not guaranty the accuracy of this information. It is your responsibility to verify information and item's description, including but not limited to, product condition, estimated weight, count, measure or other factors that determine the bid price. Information provided by us is not guaranteed and should not be considered as a substitute for your due diligence and physical inspection of the property.

    ITEMS ARE SOLD BY COMMODITY, AND WE RESERVE THE RIGHT TO REMOVE ITEMS FROM ANY SCRAP ACCUMULATION THAT ARE OUTSIDE OF THE SCOPE OF THE COMMODITY ADVERTISED FOR SALE. For example, if an accumulation of scrap contains both ferrous and non-ferrous material, but the lot is described as 50,000 lbs. of heavy unprepared iron and steel, you will not be permitted to remove as part of the lot, aluminum or copper, which was located in the same scrap accumulation at the time you inspected the lot.

****Note: Winning bid prices will not be adjusted after award due to an error in bidding or any other discrepancy regarding description, estimated weight, count, measure or other factors that may influence the final bid price of a lot.**

SCRAP SALES: (top)

39. Items offered for sale as "scrap" require mutilation or demilitarization as a condition of sale. These items must be totally destroyed prior to export and must be rendered useless beyond the possibility of restoration. IF MUTILATION, OR OTHER DESTRUCTIVE SCRAPPING IS NOT REQUIRED, IT WILL BE ANNOUNCED IN THE LOT DESCRIPTION AT THE TIME OF THE OFFERING. Government Liquidation must witness the mutilation of any scrap material requiring mutilation, which has not been mutilated prior to sale, and you agree to allow GL personnel access to your facility to witness such mutilation as is required. Mutilation may be accomplished at the DRMO prior to removal if permitted by the DRMS or at the buyer’s facility. The DRMS or their designated U.S. Government representatives may accompany GL in witnessing the mutilation of property, and you agree to allow Government personnel to witness the mutilation of property. Mutilation must be sufficient to render the item(s) completely destroyed and incapable of being reconstituted, repaired, reassembled or refurbished for their originally intended purpose. GL personnel, in their sole discretion, shall determine whether or not mutilation has been accomplished in accordance with these Terms and Conditions.

40. Bidding on scrap items is based on a lot price. However, when the lot is advertised with a weight quantity, the actual amount due will be determined based on the actual weight removed multiplied by a unit price per pound. This price per pound will be calculated by taking the total price bid divided by the estimated weight of the property. There will be no adjustments made for weight variances between the estimated weight and the actual weight that result in a discrepancy equaling a refund or supplemental invoice of two hundred fifty dollars ($250) or less. Variances that exceed two hundred fifty dollars ($250) will be adjusted for the full amount of the variance.

41. Dunnage (including pallets, spools, drums, etc.) is included in the total weight unless specifically excluded via language in the lot description. No allowance for dunnage or any other materials included in the material loaded out will be permitted in calculating the total weight of the lot purchased.

42. When our representative is unavailable to weigh out your truck, weight tickets from a licensed or certified third-party public scale will be required for all scrap sales. Failure to provide weight tickets will result in pricing at 2.5 times the maximum legal load capacity of the container used to remove the property. Estimated amounts will be adjusted upon the receipt of weight tickets from a third-party licensed or certified public scale. Falsification of weight tickets will result in your immediate banning from future sales offerings, and referral to appropriate law enforcement authorities.

43. Your acceptance of these Terms and Conditions of Sale will constitute an acknowledgement of your responsibility to perform destructive scrapping on any items sold, unless the lot description specifically indicates that scrapping is not required. Additionally, it is your responsibility to submit to us a post-scrapping certification that the scrapping has been accomplished (see the Certificate of Destruction form on our web site).

DEMILITARIZATION AS A CONDITION OF SALE ("DCS") PROPERTY: (top)

44. Demilitarization as a Condition of Sale (DCS) Property are items that must be demilitarized pursuant to applicable Department of Defense regulations before title to the residue can pass to the buyer. We will advise buyers of the demilitarization procedures for DCS property offered for sale on this web site. Demilitarization will be effected by melting, popping, crushing, deforming, or otherwise mutilating the property so as to completely destroy its lethal purposes. The use of precision torch fixtures, saws, tools of any kind to minimize mutilation or demilitarization is forbidden. Buyers of DCS property are subject to surveillance and verification by the Department of Defense. Failure to perform the required demilitarization within 30 days of property removal may result in the buyer being referred to the DLA Office of Investigations or other appropriate enforcement authorities, as well as the suspension of bidding privileges with us.

LARGE CALIBER (OVER 30 MM) SHELL CASES: (top)

45. You certify that you are not purchasing any of the items (large caliber (over 30 mm) shell cases) for military use; you agree and promise that you will not, directly or indirectly, use or dispose of in any fashion the items for military use; you agree and promise that you will include this clause in its entirety in any later sale or transfer of title, or possession by you or your successor in title or interest; you agree and promise that the items will not be exported for military use and, if exported for any reason, a full disclosure of their origin by reference to our sale and lot number will be made to the appropriate export licensing department or agency. Any item you plan to export must be completely destroyed prior to exportation.

TRANSFER OF TITLE: (top)

46. Unless property is being sold with a requirement for demilitarization or other destructive scrapping, title will transfer to you upon removal of the entire lot from the military installation. Property that is paid for, but not removed within a timely manner, as defined by the removal instructions provided, will be considered abandoned, and we will resell the property. We will retain as liquidated damages monies paid by you for property that is subsequently abandoned for failure to remove in a timely manner. Title to property that requires demilitarization as a condition of sale (DCS) or that requires some other form of destructive scrapping will not pass to you until the demilitarization or destructive scrapping has been completed and evidence of completion has been provided to us. Under no circumstances will title to any property pass to the buyer until payment in full has been made to GL.

47. SCRAP DEMIL B AND Q PROPERTY SOLD IN SALES SERIES 6000+ (SCRAP SALES), UNLESS BEING OFFERED UNDER A TERM CONTRACT SALE, WILL BE INVOICED IMMEDIATELY UPON THE DETERMINATION OF A HIGH BIDDER FOR THE ENTIRE AMOUNT DUE, AND MUST BE PAID WITHIN FIVE (5) DAYS OF NOTICE OF AMOUNT DUE. Credit cards submitted online will automatically be charged the full amount of your purchase (including buyer's premium and taxes) the next business day after the sale closes, unless otherwise noted on our website and unless you contact us prior to the close of the sale to specify alternative payment arrangements. No charges will be made to the credit card until the sales event has been closed and a successful bidder has been determined.

EXPLANATION OF DEMILITARIZATION (DEMIL) CODES: (top)

48. Questions, problems or concerns regarding DEMIL Codes and Requirements may be answered by telephoning our Customer Service Hotline at (480) 367-1300. If you prefer, you may email your questions, problems or concerns to info@govliquidation.com. Your inquiry will receive prompt attention.

Code	Description	Explanation
A	Non-MLI/Non-CCLI	**Demilitarization not required.**
B	MLI (NON-SME)	**Demilitarization not required.** Munitions List Item. Trade Security Controls required at disposition.
Q	CCLI (Commerce Control List Item)	**Demilitarization not required.** CCLI are dual-use (military, commercial, and other strategic uses) under the jurisdiction of the Bureau of Export Administration, an agency of the Department of Commerce. The types of items under Commerce Control List (CCL) are commodities (i.e., equipment, property, electronics, propulsion systems, etc), software, and technology. The CCL does not include those items exclusively controlled by another department or agency of the US Government.
E	MLI(NON-SME)	Additional critical items or material determined to require demilitarization, either key point or total destruction. Demilitarization instructions to be furnished by the DOD Demilitarization Program Office.

DEMIL CODE CHANGES – RETURN OF RESTRICTED PROPERTY (top)

49. Items sold by us, which are changed to a Demil Code status of other than B or Q from Demil Codes A, B or Q, must be returned by you to the nearest DRMS facility, and you will be reimbursed for the purchase price and any subsequent transportation costs incurred. If you have already transferred the property to another party, you agree to provide the name and contact information of that party to the Department of Defense or other federal government agency charged with the investigation of the transfer.

50. Your failure to cooperate in returning these items, providing contact information of transferees or completing and submitting End-Use-Certificates upon any Demil Code change will constitute grounds for suspension of your account and prohibition from buying in future GL or U.S. Government sales.

51. According to the terms of our contract with the DRMS, Government Liquidation sells only useable electronic devices, including reparable devices. GL makes no warranties or representations regarding the electronic devices it sells, and strongly encourages bidders to personally inspect property prior to bidding. Any device which is damaged in transit or is found to be cracked, shattered or broken may subject the buyer to regulations pertaining to the handling, storage, transportation, re-sale or disposal of electronic waste. Buyers are encouraged to check with their state department of environmental services to determine what regulations, if any, might apply under these circumstances.

EXPLANATION OF FEDERAL CONDITION CODES: (top)

52. This is a two character combination of the "Supply Condition Code" and the "Disposal Condition Code." The Supply Condition Code is assigned by the activity turning the property in to the Defense Reutilization and Marketing Office ("DRMO") / DRMS. Supply Condition Codes are always the first position of the Federal code and are defined as follows:

A - Serviceable - Issuable without Qualification	New, used, repaired, or reconditioned material which is serviceable and issuable to all customers without limitation or restrictions. Includes material with more than 6 months shelf life remaining.
B - Serviceable - Issuable with Qualification	New, used, repaired, or reconditioned material which is serviceable and issuable for its intended purpose but which is restricted from issue to specific units, activities, or geographical areas by reason of its limited usefulness or short service life expectancy. Includes material with 3 through 6 months shelf life.
C - Serviceable - Priority Issue	Items which are serviceable and issuable to selected customers, but which must be issued before Condition A and B material to avoid loss as a usable asset. Includes material with less than 3 months shelf life remaining.

D - Serviceable - Test/Modification	Serviceable material which requires test, alteration, modification, conversion or disassembly. This does not include items which must be inspected or tested immediately prior to issue.
E - Unserviceable - Limited Restoration	Material which involves only limited expense or effort to restore to serviceable condition and which is accomplished in the storage activity where the stock is located.
F - Unserviceable - Reparable	Economically reparable material which requires repair, overhaul, or reconditioning. Includes reparable items which are radioactivity contaminated.
G - Unserviceable - Incomplete	Material requiring additional parts or components to complete the end item prior to issue.
H - Unserviceable - Condemned	Material which has been determined to be unserviceable and does not meet repair criteria; includes condemned items which are radioactivity contaminated, Type I self life material that has passed the expiration date, and Type II shelf life material that has passed the expiration date and cannot be extended. NOTE: Classify obsolete and excess material to its proper condition before consigning to the DRMO. DO NOT classify material in supply condition H unless it is truly unserviceable and does not meet repair criteria.
S - Unserviceable - Scrap	A ***Disposal Condition Code is*** a code assigned by the DRMO receiver after inspection of an item which is used to designate the physical condition of that item. They are as follows:
1 - Excellent	Property which is in new condition or unused condition and can be used immediately without modifications or repairs.
4 - Usable	Property which shows some wear, but can be used without significant repair.
7 - Reparable	Property which is unusable in its current condition, but can be economically repaired.
X - Salvage	Property which has some value in excess of its basic material content, but repair or rehabilitation is impractical and/or uneconomical.
S - Scrap	Property that has no value except for its basic material content.

53. **We post condition codes as they are received from the Department of Defense. They are not guaranteed. We strongly encourage you to inspect items to determine for yourself whether or not the item's condition meets your needs prior to placing a bid.**

HAZARDOUS COMPONENTS OR CONSTITUENTS (top)

54. 54. The government cautions that certain property may have components, parts, constituents or ingredients that may be corrosive, reactive, ignitable or exhibit other hazardous or toxic properties. You are cautioned to use and ultimately dispose of any hazardous components or constituents according to all applicable local, national or international laws and regulations in a manner safe for the public and the environment.

ADDITIONAL CAUTIONS REGARDING PROPERTY: (top)

55. Certain pieces of property may contain residual chemicals, friable asbestos, petroleum products and ozone depleting substances or other hazards. You acknowledge and agree that we are not responsible for providing documentation or certification regarding the identification or status of these substances. Certain pieces of property have design features that may be hazardous if warning labels are not heeded.

56. With regard to the "Sunray brand gas range, 30 size, Model No. 26JAOOX13, NSN 7310-01-046-2869, and electric range 30size, Model No. STC-26, NSN 7310-00-823-7386, manufactured by Glenwood Range Co., Delaware, OH, the following information is provided to prospective buyers. "While the oven is

in operation and for a short period of time after the unit is shut off, the surface temperature of the oven door becomes excessively hot which may cause burns to anyone touching the door."

MEDICAL AND DENTAL PROPERTY OR DEVICES: (top)

57. If you buy medical and dental property from us, you must submit to us a completed Food and Drug Administration (FDA) form before the property will be released. You must complete either section A or section B of the form (whichever applies). Forms may be submitted after the sale is closed and notification is sent to you informing you of your successful bid on the property. The FDA form is available in the "Forms" section of the web site, which can be accessed when you log into your GL account. The form must be legible, accurate and filled out completely before we will authorize you to remove your property. Payment will not be accepted nor will any medical or dental property be released without the form. We decide what constitutes "medical" or "dental" property. We are not responsible for accuracy, completeness or legibility of the form. It is your responsibility to complete and submit the form. In the event the FDA form is not filled out and returned within the specified period of time (stated for the sale), we reserve the right to withdraw the objects from the sale and dispose of them at our discretion. Should this occur, we will assess as liquidated damages the greater amount of 25% of the winning bid, or $30. GL does not review the form to ensure it is completed correctly, and our acceptance of the form does not guarantee that the completed form will be considered acceptable by the FDA. If you have questions about how the form should be completed, you should seek legal counsel.

VEHICLES AND VESSELS: (top)

Transfer of Title to Vehicles (top)

58. Government Liquidation will supply a SF97 to customers under the following conditions:

    The vehicle must have been sold in a "useable" property sale (Sale No. is less than 6,000). GL will not issue SF97s for vehicles sold in Scrap sales (Sales No. is greater than or equal to 6,000). Customer must submit an inspection report, which verifies pertinent information required to complete a SF97:
    - **VIN#, Year, Make, Model, Body Style, and Weight – Trailers**
    - **VIN#, Year, Make, Model, Body Style, Weight, MILEAGE, Number of engine cylinders and Fuel type – Vehicles**
    - **(Any missing information will delay our processing of your request)**
    - **There is a processing fee of $60 for EACH title or SF97 requested.**
    - **Complete the [Request for SF97 Form] and fax to the attention of Vehicle Titling at (480) 596-4481**

59. You are solely responsible for researching state requirements for titling and registration in your state and determining if the documentation provided by GL will be accepted by your state or local Department of Motor Vehicles.

60. We are not responsible for, nor liable for, any unauthorized use or operation of vehicles sold by us, for vehicles that are not legally registered with the state in which they are intended to be operated in, or for obtaining insurance and insuring vehicles that have been sold prior to any operation of the vehicle.

61. You are solely responsible for obtaining any necessary state or local permits allowing you to move any vehicle from the location of the sale. You agree to defend, indemnify and hold us harmless for your failure to comply with the provisions of this section. Vehicles described as "residue" will be provided SF-97s that are annotated "NOT FOR ROAD USE."

62. Any inspections required in order to complete a title application must be done at your expense and under your supervision. Check with your state regarding the requirements for applying for title prior to placing a bid.

63. Where an original SF97 was provided to the customer for a conveyance sold by GL, requests for duplicate SF97s will be forwarded to the Vehicle Titling Department for their approval or rejection. GL has no obligation to provide duplicate documentation, and cannot guarantee that duplicate documentation will be made available. Where an original SF97 is provided to the customer for a conveyance sold by GL, at the time of transfer GL will assign the SF97 to customer via a Letter of Re-assignment. Requests for documents on vehicles sold more than one year prior to the date of the request will not be honored.

Transfer of Title to Vessels(top)

64. Title to vessels will be passed via our invoice. In the event that you desire additional documentation, such as a vessel bill of sale, we will provide it to you at a cost of $25.00 per vessel. We do not warrant that the ownership documents provided by us will meet any state's requirements for titling vessels, and encourage you to research the title documentation requirements in your state to determine whether or not our procedure will meet its documentation needs. Requests for documents on vessels sold more than one year prior to the date of the request will not be honored.

65. Buyers of "mil-spec " vessels must apply for a quasi title from the Naval Surface Warfare Center, Carderock Division, Combatant Craft Department, by completing a Request for Certificate of Build and Quasi Title to Vessel. The cost for a quasi title is $75.00. The form is available on the "Forms" section of "My Account" on our website.

Paying for Your Property: (top)

BUYER'S PREMIUM: (top)

66. We charge a buyer's premium of 10% of the bid amount on all purchases. The buyer's premium is considered a taxable amount, and will be taxed at the appropriate rate depending on the location of the property. Buyer's premiums are standard in the auction industry, and should be factored into your bidding strategy.

SALES, USE OR EXCISE TAXES: (top)

67. We are obligated to collect sales, use or excise tax from ALL buyers. It is your responsibility to provide the required documentation when submitting a bid to claim an exemption. You must submit re-sale or tax-exemption documentation from the state in which you are doing business as well as EACH STATE WHERE YOU ARE PURCHASING PROPERTY. We are not obligated to refund sales tax due to late submission of sales tax exemption documentation. Submission of all appropriate tax exemption forms must be received by us before 5:00 p.m. ET on the date the sales event in which you are participating closes. Re-sale certificates may be faxed to us at (480) 367-1450. You will be liable for all taxes, surcharges or other charges imposed on the sale of goods by any taxing authority if tax forms are not received by the scheduled closing time of the sales event in which you are participating. Requests for refunds of sales taxes must be submitted to the appropriate taxing authority directly.

****Note: All property sold in the state of Hawaii is subject to an excise tax. There are no exemptions to the Hawaii excise tax.**

PAYMENT TERMS: (top)

68. Unless otherwise indicated in a term contract agreement or other written Agreement with Government Liquidation, LLC or DOD Surplus, LLC, all payments must be received within 5 business days of the date of the invoice. For purposes of calculating time, the date of the invoice will not be counted as the first day.

69. In the event you fail to pay the entire purchase price within the time set forth by us or fail to comply with any of these terms and conditions, we will assess as liquidated damages the greater of 25% of the winning bid or thirty (30) dollars. **Note: Refunds will not be issued for amounts less than $2.50 nor will invoices be issued for sums less than $2.50.**

70. Any item that is not paid for may be resold without further notice. Accordingly, in the event the successful bidder for any item fails to complete the purchase for any reason, we reserve the right to accept the next highest bid.

DEFAULT AND OTHER LIQUIDATED DAMAGES: (top)

71. We reserve the right to charge a $25.00 fee for any credit card transaction that is rejected. Buyers are strongly encouraged to review the data in their profile prior to submitting bids and to make any corrections necessary to their credit card information at the time of bidding. Additionally, buyers who submit erroneous credit card information, or attempt to use credit cards that they are not authorized to use, are subject to sanctions, including account de-activation, and may be reported to appropriate law enforcement agencies.

72. A default fee of 25% of the bid amount (excluding Buyer's Premium and taxes), but not less than $30.00, will be assessed the bidder who fails to pay within the required time period. Government Liquidation must receive all payments that are associated with default fees via money order, cashier's check or wire

transfer. Credit card payments will not be accepted as a valid form of payment of a default fee. From the time when a buyer is determined to be in default until payment of the default fee is received, the buyer's Government Liquidation account will be temporarily suspended from all bidding activity. Default fees are calculated based on 25% of the bid amount, excluding sales tax. Automated payment reminders are sent as a courtesy only, and should not be considered a replacement for your responsibility to monitor your account.

73. **Any buyer that attempts to rescind a credit card transaction without our express written consent (i.e., charge-back), will be immediately and permanently banned from our sales. Charge-backs can be considered as a form of credit card fraud, and thus may also be subject to sanctions or prosecution by law enforcement authorities.**

FORMS OF PAYMENT: (top)

74. Acceptable forms of payment include VISA™, MasterCard™, American Express™, cashier's check, money order, wire transfer and company check with a bank letter of guarantee. You must make payment in full within 5 calendar days of the invoice date. The date of the invoice is not counted as the first day for purposes of calculating the payment deadline. There will be no extensions of the payment period granted.

75. Credit cards submitted online will automatically be charged the full amount of your purchase (including buyer's premium and taxes) the next business day after the sale closes, unless otherwise noted on our website and unless you contact us prior to the close of the sale. No charges will be made to the credit card until the sales event has been closed and a successful bidder has been determined.

76. If you choose another form of payment, the following information must accompany a letter of instruction:

    - Company name (if applicable)
    - Customer name
    - Telephone number
    - Sales event number or contract number
    - Signature and date
    - Twenty-five percent of total bid amount

****Note: A valid credit card must be entered at time of bid submission regardless of the form of payment.**Credit cards submitted by a buyer must be in the name of the registered buyer and be valid at the time a lot is awarded.

77. ALL FUNDS MUST COME FROM THE REGISTRANT. GL WILL NOT ACCEPT THIRD PARTY FUNDS OF ANY KIND FOR ANY REASON.

Abandoned Property: (top)

78. A schedule for removal of property will be established for each sale. You must remove all property awarded within this time limit. If for any reason removal cannot be completed within the time period, it is your responsibility to arrange with our site manager for an extension of time. We are not responsible for property that is not removed within the time allotted. If property is not removed within the specified removal period or scheduled for removal at a later date with our site manager, **we will consider the property to be abandoned by you, and you will have abandoned all right, title and interest in the property including the purchase price of the property. We are not required to send abandonment or late removal letters to you prior to exercising the right of abandonment.**

End-Use-Certifications [EUC] (DLA Form 1822): (top)

79. **GOVERNMENT LIQUIDATION WILL NOT SELL ANY DEMIL B OR Q PROPERTY WITHOUT AN APPROVED END-USE CERTIFICATE.**

Where an END-USE-CERTIFICATE (EUC) is required to complete the transaction, no property will be released or removed until all certificates are filed and the property has been cleared for release. There will be no exceptions or exclusions to this requirement. The edition of the EUC, DLA Form-1822, provided online is the ONLY valid form accepted for this sales event. Once it is determined that you are the high bidder, after the sale close date, the following deadlines apply:

80. You will have seven business days from the sale closing date to submit a completed EUC. If revisions to the EUC are necessary, you will have an additional five business days to make revisions and submit an acceptable EUC. Buyers who have not submitted an acceptable EUC (Form-1822) within 12 business days will have their winning bids voided and liquidated damages assessed equal to the amount of 25% of the winning bid (with a $30 minimum).

81. The requirement that the EUC be complete, correct and legible is your obligation. We do not control the amount of time required for approval or the final decision to allow or disallow the release of the property to the individuals completing and filing the EUC.

82. The approval process for release of inventory can be a long process. For first time buyers, the period for approval by Trade Security Control (TSC) can take 45 days or longer. Buyers who have a current TSC clearance can expect approval (or disapproval) and the release of their purchases within ten days in most cases. (NOTE: If your TSC clearance was received prior to June 2001, you must re-submit your EUC for TSC approval as a first-time buyer.)

83. End-Use Certificates that are submitted and not approved for property removal within 90 days may lead to the sale being voided at our discretion, and we have the right to dispose of the property at our discretion. Additionally, if a submitted EUC is denied clearance for authorization to release property, we reserve the right to assess liquidated damages to the amount of 25% of the winning bid (with a $30 minimum).

84. Useable Demil B and Q Property will be invoiced at the time the EUC is approved, and will be due within 5 days of request for payment. Property will not be released until we receive approval for release from DRMS/TSC. In the event that the sales series 6000+ (scrap sales) EUC is not approved, but the bidder has made a good faith effort, we will refund the purchase price in full. Where GL determines that the EUC was rejected due to a lack of good faith effort on the part of the bidder, a default fee of 25% of the price due (exclusive of taxes), but not less than $30.00, will be assessed the bidder.

85. Prospective buyers are notified that property sold is subject to Demil Code changes as imposed by the DRMS. If an item's Demil status changes to "B" or "Q", you agree to complete an EUC (DLA Form-1822) when informed of the change and requested to do so. Buyers will be notified in writing, with an explanation of the sale/lot/ item in question, and a copy of the End-Use Certificate will be provided for completion. This becomes a condition of sale.

86. Information on END-USE CERTIFICATES is available on our website, by emailing our Customer Service Department at info@govliquidation.com or by calling our Customer Service Hotline at (480) 367-1300. We will not sell Demil B or Q property to any citizen of or agent acting for a foreign country. There will be no exceptions to this provision

Removal of Property: (top)

87. Unless stated otherwise, all lots include dunnage (cartons, pallets, shrink-wrap, bands, crates, etc.), and you must remove the entire lot. We are not responsible for the disposal of unwanted items or dunnage.

88. You or your designated agent must remove property within the time frame established for the lot being removed. Failure to remove property in a timely manner will be considered your abandonment of all right and title to the property, including the purchase price. See the abandonment section for additional information.

89. In the event we extend the removal period to accommodate a buyer's needs, you understand and accept that any liability and risk of loss does not rest with us or the Defense Reutilization and Marketing Service, but is at your own risk.

90. You understand that the US Government reserves the right to withdraw any and all property available for each sale up to the removal period. If this occurs, our liability is limited to return of the purchase price paid for the lot. We have no liability for incidental or consequential damages to any buyer.

91. You are responsible for rigging, loading, securing and transporting purchased property, including all costs and risks associated with removal. In certain situations, unless otherwise stated, we will provide a free tailgate loading but will NOT guaranty a specific loading time. In consideration for this 'no cost' loading service, you agree to release, hold us harmless and waive any and all claims, causes of actions, damages (including consequential damages or loss of use) or liabilities of any kind or nature. Please note that GL does not package items prior to pickup. Buyers need to make arrangements for packing of purchased items with a packing and shipping store, or other suitable vendor.

92. Where we indicate the Property must be loaded by the Buyer, you must provide all material handling equipment (MHE) and properly trained and certified operators to operate the equipment. Additionally, you

must provide proof of adequate general liability insurance, and proof of worker's compensation insurance. Government Liquidation, LLC and the Defense Reutilization and Marketing Service must be listed as additional insured on the general liability insurance. Buyer's employees or agents are responsible for compliance with all federal, state, local and host installation environmental, safety and health regulations while operating equipment on the site.

93. You are responsible for any damages to property, including spills or releases of hazardous substances, which might occur during the removal process. Failure by you or your designated agent to clean up any releases or to repair any damages may result in your being banned from future participation in GL sales, and you may be reported to the appropriate authorities.

94. A list of packers and shippers is provided at http://www.govliquidation.com/fp.html. You understand and acknowledge that this is information is provided solely as a convenience, and we do not endorse or guaranty the performance of any company listed on our website. You further agree to hold us harmless from any liabilities, damages or consequences resulting from the selection and use of any packing and shipping service. Should you choose to use a transportation company for the removal of your property, we are not responsible for any of the associated costs. You are reminded to be specific and clear in the instructions to the transportation company so that we are not shown as the responsible financial party.

95. Either you or your authorized agent will be required to sign for all material in the presence of a GL representative (unless otherwise approved by an authorized GL agent) prior to removing property.

****Note: You or your agents are responsible for property count and verification of lots purchased at the time of removal. If the lot is not acceptable, do not remove it.**

96. You agree that any dispute between the parties must be resolved under Arizona law and in a court located in Maricopa County, Arizona. You expressly agree to the jurisdiction of those courts to resolve any dispute, and not to contest that jurisdiction or venue. You also agree to service of process by certified or registered mail. In the event of litigation, we are entitled to our costs and attorneys fees.

Disputes: (top)

TIE BIDS: (top)

97. In the event equal bids are received for the same lot, you grant us the sole and exclusive authority to resolve and make all final determinations with respect to those bids.

98. Sealed Bid Sales - In the event of a tie during a sealed bid sale, the lot will be awarded to the Buyer whose bid was first received. This applies regardless of whether the bidder entered their own bid or the bidder faxed their bid to us to enter on their behalf.

99. Internet Auctions - On the occasion of a "tied bid," despite whether the bid was accepted as an "auto-bid" or "straight bid," the lot in question will be awarded to the Buyer whose bid was first received. We keep a time stamp recording of all internet auctions and Bidding/Time activities and transactions.

BID RETRACTIONS: (top)

100. Any requests for a bid retraction due to keystroke error must be received by us in writing via email to info@govliquidation.com, fax to (480)367-1450 or letter to the Scottsdale Support Office of GL, 15051 N. Kierland Blvd., Third Floor, Scottsdale, AZ, 85254, immediately upon discovery with the Subject: Bid Retraction. Additionally, customers must call Customer Service at (480) 367-1300 to follow up the written request, immediately. We will not recognize a request to retract a bid if the request impacts subsequent bidding on the lot in question. An auto- bid that has already affected the current bidding on a lot cannot be retracted, but may be lowered to the last bid increment placed at the time the request was received. Requests should include the bidder number, sale number and lot number affected.

CLAIMS: (top)

101. All claims must be submitted to us in writing and must include the sales number & the lot number, the customer number and the invoice number, along with a narrative describing the basis for the claim. Claims as to counts or proper model must be noted by the Buyer or their agent at the time of removal, and must be called to our attention within 30 days of the removal date. Disputes may be submitted via email to info@govliquidation.com, by fax to (480) 367-1450 or mailed to Government Liquidation, LLC, 15051 N. Kierland Blvd., Third Floor, Scottsdale, AZ, 85254, Attention: Dispute Resolution. We will not recognize claims related to property condition, minor count discrepancies or your failure to inspect the

merchandise prior to bidding or removal.

I UNDERSTAND THAT BY PARTICIPATING IN A GOVERNMENT LIQUIDATION OR DOD SURPLUS SALES EVENT THAT I AM BOUND AND I AGREE TO BE BOUND BY THESE TERMS AND CONDITIONS OF SALE .

CREDIT CARD TRANSACTION INFORMATION

If a credit card is to be used as a payment, complete the following information and return this sheet with your sealed bid or, if you choose, fax in with your sealed bid to our office (fax cover sheet attached).

If you choose to use a credit card for a DEPOSIT or PAYMENT IN FULL, charges will not be made to your card until after award of the sale and only for those items you were awarded, if any. Fraudulent use of credit cards will be reported to the appropriate authorities.

Please type or print legibly the following information:

PLEASE SELECT ONE: ☐ Use for my deposit only ☐ Use for my payment in full

Please select a credit card for your purchase: ☐ Master Card ☐ Visa ☐ American Express

(We do not accept Discover)

Name or Company Name Exactly as it Appears on Credit Card:

First Name _____ Last Name _____

Company Name _____

Card Number _____

Expiration Date: Month _____ Year _____

**CSC Code (Card Security Code): _____ (Located on back of Credit Card)

Billing address exactly as it appears in your credit card statement:

Street _____ Apt. _____

City _____ State _____ Zip _____

Phone number associated with your billing address: _____

I/We hereby authorize GOVERNMENT LIQUIDATION, to obtain payment by credit card, as selected above, for the item or items **we are awarded in this sale**.

Authorized Signature _____ Date _____

Upon receipt of your invoice, should you decide to change your credit card instructions from "use for my deposit only" to "use for my payment in full," note on this form your change, initial next to it, and fax to (480) 596-4483.

REQUIREMENTS OF A LETTER OF GUARANTEE FOR ACCEPTANCE OF A COMPANY CHECK

- Letter must be on official bank letterhead.
- IMPORTANT: Bank must state that they guarantee the payment of the check being presented. It is not sufficient for the bank to state the credit limit or balance of the company.
- Letter must state the name of the company for whom the guarantee is for. The check must have the same name printed on it.
- Letter must contain the account number on which the check is to be drawn and the check must match this same account number.
- Letter must state an ending date after which the letter of guarantee will expire.
- Letter must contain a maximum amount for which the bank will guarantee. The check must not be written for more than is guaranteed by the bank.
- A bank representative must sign the letter.

EXAMPLE OF LETTER OF GUARANTEE:

Government Liquidation
15051 N. Kierland Blvd., 3rd Floor
Scottsdale, Arizona 85254

Dear Sirs:

Please accept this letter as a statement of guarantee for [Company]. [Bank Name] will guarantee payment of the check being presented by [Company] to purchase items at your auction up to an amount no greater than $[amount]. The account number of this check is [account number]. This letter of guarantee will be valid until [Date].

Signed by [Bank Representative]

After you have requested a wire transfer from your bank, please call (480) 367-1300 and advise Customer Service of your wire transfer. Please indicate the sale number and amount of your wire transfer. Failure to do this will result in a delay of your payment.

AUTHORIZATION FOR PICK-UP

Buyer Name and Number _____

Auction Location _____ Auction # _____

I, _____ , authorize _____

_____

_____

_____

to remove / pick-up the following lots purchased by the above named Buyer:

Lot No.	Description

Signature _____ Date _____

Buyers are responsible for the transportation, associated costs and risks in the removal of their property. In addition, a Release of Liability must be signed prior to loading. Government Liquidation will provide tailgate loading and does NOT guarantee a specific loading time. The personnel and/or the equipment providing the "free load" are not under the control of Government Liquidation. Therefore, by accepting the offer of a "free load" and agreeing to the Terms and Conditions of this sale, you agree to hold Government Liquidation harmless for any and all causes of action relating to the loading process.

WAIVER AND RELEASE OF LIABILITY

The undersigned, _____ ("Purchaser"),
has purchased
from Government Liquidation assets located at _____.

In consideration for the receipt of loading services with respect to those assets at no cost to Purchaser, Purchaser hereby agrees to release and waive any and all claims, causes of action, damages (including consequential damages and/or loss of use) or liabilities of whatsoever kind or nature against Government Liquidation, its members, officers, agents, employees, successors and assigns arising from or related to, directly or indirectly, such loading services.

This Waiver and Release of Liability is executed this _____ day of _____, _____.

SEALED BID CHECKLIST

- ☐ Include sale number on all envelopes, correspondence and checks.
- ☐ Include a completed sales tax exemption form (Resale Certificate) for this sale if you are sales tax exempt. Form must be included at time of bid submittal (see 11. on the Sealed Bid Terms and Conditions form).
- ☐ Include a deposit in acceptable funds of no less than 25% of your total bid to have your bid valid.
- ☐ Fill out all information if paying by credit card. Incomplete information will make your bid invalid.
- ☐ If submitting your sealed bid package via mail or facsimile transmission, be sure to send it with plenty of time to arrive prior to the deadline.
